

## ST ANDREW'S DAY TOURNAMENT 2018

### Kindly supported by the Scottish Parliament and Scottish Government

Please nominate **one** pupil from your school who will be partnered with a pupil from another school, who will debate together in a British Parliamentary format in each round. There may be the opportunity to enter a second speaker so please indicate if you would like a reserve speaker.

In addition, we also ask if you would like to nominate **one** pupil who would wish to be one of the pupil judges on Judging Teams. We are also seeking young people to chair the debates. Their role will be to introduce the speakers and to ensure that they keep to their allotted speaking time.

These pupils should be in S3-S6. Younger pupils may attend as supporters.

**If your school is new to debating and would like to take part then we would be delighted to welcome you to the competition. We will be running regional training sessions to help your pupils get started with debating and enable them to take part. These sessions will be free to attend, and we may be able to assist with travel costs. If you would like your pupils to attend one of these sessions, please let us know in your application form.**

Entry for the competition will be selected via the application form overleaf. Please let us know why your school would like to enter, and how you think your pupil(s) would benefit from taking part.

We would like to ensure that this competition is as widely accessible as possible, so the geographical spread of teams will also be taken into account when selecting schools to take part. We have some funding available to assist schools with travel costs, particularly if travelling a long distance. Please fill in the appropriate section of the form if you would require help with this.
